INSTRUCTIONS.

1. This roll is to be used in all cases of promotion, and also for officers who, from any cause, were prevented from being mustered upon the original muster-in of the organization in which they had been commissioned.

2. After a regiment has been mustered into service no commissioned officer will be mustered in before producing a Commission from the Governor of his State. After the Commission has been exhibited, the Mustering Officer will satisfy himself that a vacancy exists, in which case only can he make the muster. The muster-in roll must show, over the certificate of the Mustering Officer, that the vacancy existed and how it occurred. For example, if the vacancy resulted from death, the remark will be, *vice* Captain _____, deceased; if from resignation, *vice* Lieutenant _____, resigned.

3. The Christian name must not be abbreviated, but if it consists of more than one name, only the first will be written in full.

4. Three copies of this roll are to be made. As soon as possible after muster-in, the Mustering Officer will forward one copy to the Adjutant General of the Army, one copy to the Adjutant General of the State, and the third copy will be delivered to the officer.
